

AP EXAMS: IMPORTANT REMINDERS

- Late arrivals will NOT be admitted, so please be on time.
- Students must arrive for morning tests NO LATER than 7:30 AM. We will begin promptly at 7:30 AM.
- Students must arrive for afternoon tests NO LATER than 11:30 AM.
- Since many students have two tests in one day, it is essential that we start on time. Please do not arrive late. It disrupts the testing process and you will not be allowed in once the exam begins.
- Afternoon tests may run a little late, and you may not leave a test early. If you are getting a ride home, please arrange for someone to pick you up around 4:00 PM.
- If you are taking an afternoon test, please take 3rd period lunch, but report to your testing room by 11:30 AM.
- If you are taking a morning test, you will eat lunch after you are dismissed from your test.
- If you are taking both a morning and afternoon exam on the same day, you will need to bring a lunch and plan to eat it quickly on the way to the second exam. It is important to get to the afternoon test as quickly as possible.
