

Franklin High School Math Flow Chart

TO START: Find your current math course on the flow chart. Follow the arrows to class choices.

- A. If you received a **C or better** in your current math class, follow the arrow to your next class.
- B. If you received a **D or lower**, you need to repeat the course you are currently in (9th through 11th) **unless**:
 - a. If you receive a **D in Math 1**, you can repeat it, or move on to Applied Math (See your Counselor with questions)
 - b. **Seniors**, you can choose to take Business Finance as your senior math class (Pre-Req: Math 1 with a D or better)
