

# ATTENTION ALL INCOMING 11TH & 12TH GRADE STUDENTS!

Graduation around the corner? Thinking about a job after graduation? Curious about different career paths? Maybe YOU should consider an EGUSD Satellite Course! These courses will introduce you to industries that are looking to hire right now! Successful completion of the program sets you up to enter the workforce with knowledge and skills! You learn by doing hands-on projects using industry level equipment in high quality facilities by dedicated teachers. It's a GREAT OPPORTUNITY to learn what path might be right for you.

## Traveling student courses we will be offering for the 2022-2023 school year:

- Agricultural Sales & Service
- Agricultural Mechanics
- Animation
- Video Production
- Building Trades
- Careers with Children
- Mechanical Systems Installation & Repair (HVAC)
- IT Support Specialist
- Medical Assistant
- Phlebotomy Technician
- Professional Culinary Arts
