August 2022

Dear Students and Parents/Guardians:

In an effort to protect and safeguard our students at Franklin High School, we have a Vehicle Parking Contract and Student Vehicle Registration process. Students are responsible for registering their vehicle(s) with the Concession Stand as well as following the contract guidelines. **Due to the limited number of spaces, PARKING PERMITS WILL ONLY BE ISSUED TO 11th AND 12th GRADE STUDENTS on a first-come first-served basis. Possession of a student parking permit does not guarantee a parking space.** Because of limited parking spaces, freshmen and sophomore students will not be permitted to drive to Franklin High School. Failure to register your vehicle or follow contract guidelines will result in a student losing his/her parking privilege for the current school year. **Parking permit enforcement begins on Monday, August 22, 2022**

Please take this opportunity to review and sign your student's Vehicle Parking Contract and Student Vehicle Registration form. Upon registration, the student must provide the following:

- Student Vehicle Registration form signed by student and parent/guardian
- Student Parking contract signed by student and parent/guardian
- **Copy** of Current Driver's License
- Franklin High School Student ID

Please feel free to call me at (916) 714-8150, if you have any questions or concerns.

Sincerely,

Adam Wood
Principal
