

# VOLUNTEERS

## *A Gift to the Community*

The Elk Grove Community Weekend Meal Program seeks volunteers to help cook and serve Saturday breakfast/Sunday lunch. This program provides two weekend meals free of charge to the elderly, school children, those in need and anyone who simply wants to get to know their neighbors.

Volunteering is a great opportunity for students to give back to their community and earn service hours for college applications! Weekend Shifts run two hours each and sign ups are required. Orientation is provided. Meals are provided onsite at the EG United Methodist Church on Elk Grove Blvd.
